UNDREDS ARE KILLED OFF FLORIDA COAST

y Storm Which Swept Over Havana.

ISHING FLEET WAS WRECKED

oss at Miami, Fla., Will Amount to Thousands of Dollars—Steamer St. Lucie Sailed Into Storm Despite the Warnings.

Miami, Fla., Oct. 22.—The reported loss of the steamer St. Lucie, Captain Bravo commanding, has proven true. Friday evening one of the Flagler steamers arrived in port, bringing 60 wounded, who were taken to the hospital. It is said there are 28 dead bodies which will be brought up later.

It is believed now that a portion of the Florida Fish and Produce company's fleet was lost with loss of life. Manager Adams sent out one of their boats Friday morning to search for the men and boats, and on its return the crew reported no sign of the fleet. The fishing nets were found strewn upon the shore.

The steamer St. Lucie belongs to the fleet of the Florida East Coast railway and is employed in carrying workmen to and from the extension work on the keys.

Despite the storm warning, Captain Bravo sailed for Key Largo with a large number of workmen aboard. The steamer was caught in the storm and was driven ashore with the awful loss of life reported.

The damage in Miami will amount to many thousands of dollars. One of the heaviest losers is Frank Budge, whose 3-story brick store was unroofed and the stock of hardware ruined by the deluge of rain. His loss is estimated from $10,000 to $15,000.

The saloon of the Charles Watson Co. was unroofed and stock and fixtures damaged. Their warehouse on Sixth street was totally demolished.

The roof of the Miami Shoe Co. was blown off and stock damaged.

The new Orlendorff block, which was nearing completion, was destroyed.

The Arcade building was badly damaged.

The First Methodist church was partially wrecked and the steeple blown down.

McNeill's stables were completely destroyed.

Granger's livery stables were wrecked and much damage to buggies and carriages done.

A large portion of the terminal docks and the car shed near the roundhouse were blown down.

On Avenue D a number of plate glass windows were smashed in and several houses unroofed. Most of the merchants lost heavily from water.

St. Augustine Escaped.

St. Augustine, Fla., Oct. 22.—This city, beyond some damage done by high tides, was not affected by Thursday's hurricane. Messages received at the wireless station indicate that the storm passed this point about 60 miles to sea. At 10 o'clock Friday morning a Red Liner reported that it was running into a terrific storm north of St. Augustine. A wireless message from Key West Friday night says: "Steamer Mascotte arrived Key West; all on board O. K."

Picked Up at Sea.

Key West, Fla., Oct. 22.—The American steamer Jennie, Captain Dodnich, bound from Gulfport for Genoa, has called at this port to land 49 workmen picked up at sea near the Bahama coast, 160 miles from Key West. The men were part of a force of 150 workingmen belonging to barge No. 4, engaged on east coast extension work. Most of the others were killed or drowned in the storm early Thursday. Nine other barges crowded with workmen engaged in extension work were at sea with barge No. 4. There is no news of them, and it is feared all were lost.

W. P. Dusenbury, one of the engineers, saved by the steamer Jennie, says the storm struck barge No. 4 at 5 o'clock Thursday morning. One moment later the houseboat went to pieces in the dragging sea, and 30 to 40 men were killed in the crash. Dusenbury says nine other boats were working on the extension at Long Key and another at barge No. 4. There has been no intelligence of their fate and fears for their safety are entertained.

Officers of the rescuing steamer Jennie say that they heard cries for help Thursday night, and following the direction of the sounds came upon a lot of men floating in the sea, clinging to logs, lumber and small rafts. Boats were lowered and the 49 men brought here were rescued.

Three other steamers, using search lights, came on the scene and assisted in saving life. How many they rescued was not ascertained by those on board the steamer Jennie.

Captain Bravo Injured.

Miami, Fla., Oct. 22.—Captain Steve Bravo, one of the steamboat commanders of the Florida East Coast system, is seriously but not fatally injured. He was commander of the steamboat St. Lucie, of the Flagler line of steamers, plying between Miami and the Keys, along which the extension of the Flagler railway is being constructed. Captain Bravo says he anchored on the lee of Elliott's Key, 25 miles south of Miami, on which there were 250 residents Friday morning, and that soon after a tidal wave engulfed the island, leaving not a living soul upon it. The tidal wave struck the St. Lucie and in a moment she was crushed into debris. The St. Lucie had on board over 100 people, of whom 25 were killed or drowned.

Another disaster is the breaking loose of a barge at Elliot Key, with 100 people on board. She was picked up on the Bahama islands. Fifty of her people were drowned.

Reports From Havana.

Havana, Oct. 22.—Reports of the damage done by the storm in the interior of the island continues to come in slowly. The extent of the damage done to the tobacco crop in the Province of Pinar del Rio is not yet fully known, but it is believed to be great. The tobacco was planted late this year on account of the continued rains, hence the plants have not yet sprouted and many of the seed beds have been washed out, necessitating replanting, which will retard the crop. The storm is reported to have been very severe in the Vuelta Abajo district of Pinar del Rio.

The principal havoc outside of Havana is reported to have been at Batabano, where seven men were drowned, the American steamers Campbell and Sara were wrecked, many houses destroyed and 200 persons rendered homeless. The mayor of Batabano has issued an appeal for relief for the destitute, and Governor Nunez of Havana province, will proceed there Saturday with funds and food supplies. The brunt of the storm seems to have been sustained by the city of Havana and its suburbs. No more deaths have been reported.

Micanopy Notes.

Micanopy, Oct. 24.—O. L. Feaster is having a nice cement walk built in front of his store, and it is not strange to say that occupants have a broad grin on their faces.

School opened Monday with a good attendance. Miss Annie Collins is principal. She was principal last term, and we are glad to have her again. Miss Hattie Roebuck is first assistant. Miss Sophie Merry has her same place with all the little fellows.

Micanopy Cemetery Association is going to give a Hallowe'en party October 31st for the benefit of the cemetery. It will be at the residence of Mr. and Mrs. J. B. Simonton. Everybody invited

Governor Broward will lecture here on Thursday night, Oct. 25th.

Schlater & Craig had a new ten-horse power engine to come in last week for their truck farm. Also J. F. Hinson had a six-horse power, and W. E. Riles a four-horse power. They expect to make a vegetable crop whether it rains or not.

Jno. D. Merry has rain on his fine coke patch whenever he wants it. He also has a new engine. It has been in operation for several weeks.

The meeting here was largely attended, and those present thoroughly enjoyed the session.

DEATH OF GILBERT TAYLOR.

One of Gainesville's Well Known Young People Passed Away.

From Tuesday's Daily Sun,

The city was saddened Sunday night by the information of the death of J. Gilbert Taylor, which sad event occurred at the Baker Infirmary, Sumter, S. C., Sunday morning, after an operation which had proved imperative from several months' illness.

Deceased was twenty-eight years of age, and was born in this city. He was always a favorite among his associates, being possessed of a most amiable disposition and charitable nature. He joined the Baptist church in early childhood, and has always been loyal and faithful to his religious creed.

Deceased was surrounded at the bedside by his mother, Mrs. John M. Taylor, his wife, and his brother, George Taylor, when death came. His brother, W. B. Taylor of this city, was notified too late, but started for Sumter, when a telegram intercepted his journey in Jacksonville.

Mr. Taylor was married three years ago to Miss Laura Brittain of Jacksonville, with whom he has since lived happily.

He is survived by his mother, Mrs. John M. Taylor, his devoted wife, two brothers, Geo. R. and W. B. Taylor, and one sister, Mrs. F. R. Chaddock of Moundville, West Virginia.

The remains arrived in this city Monday night via the Seaboard Air Line, and were met at the station by a committee of Gainesville Lodge No. 990, B. P. O. Elks. The body was taken to the home of his brother, W. B. Taylor, where friends were anxiously and pathetically waiting.

Mr. Taylor, at the time of his death, was the Southern representative of the Supplee Hardware Company of Philadelphia. He was formerly with the firm of O'Donald & Taylor, hardware dealers, of Jacksonville, and had a large number of friends there.

He traveled through Florida for several years and had a host of friends in this State who will be grieved to learn of his death.

Deceased was a member of Troy, Ala., Lodge No. 928, B. P. O. E., and the following telegram was sent to that lodge addressed to the exalted ruler:

"Gainesville Lodge No. 990, B. P. O. E., deeply sympathizes with Troy lodge in the death of your member, Brother Taylor, whom we knew and recognized as a true man and a splendid gentleman. If Gainesville No. 990 can serve you in any way in this sad bereavement, we are at your command."

This message was signed by Henry S. Chubb, exalted ruler, and J. M. Dell, Jr., secretary.

The funeral will be held this morning from the First Baptist Church, at 10 o'clock. It will be conducted by Rev. Francis H. Craighill, assisted by Rev. S. B. Rogers

FUNERAL OF MR. TAYLOR.

Was Held at Baptist Church Tuesday and Was Largely Attended.

One of the largest congregations seen in this city for some time assembled at the First Baptist Church Tuesday morning upon the occasion of the funeral of the late J. Gilbert Taylor, who passed away at the Baker Infirmary, Sumter, S. C., Sunday.

The hour of service was announced to begin at 10 o'clock, but long before that hour the church was well filled, with the exception of the seats reserved for the Masons and Elks, the deceased being a member of both orders.

The members of Gainesville Lodge No. 41, F. & A. M., and Gainesville Lodge No. 990, B. P. O. E., assembled at the Masonic hall at 9:45 and marched in a body to the home of W. B. Taylor, brother of the deceased, where they acted as an escort of honor to the church.

The services at the church were conducted by Rev. Francis H. Craighill, rector of Holy Trinity Episcopal Church, assisted by Rev. S. B. Rogers of the Baptist church. Dr. Craighill delivered a few beautiful and most touching remarks in addition to the reading of the scripture. The prayer of Rev. Mr. Rogers was a long and fervent one, which commanded the closest attention. The choir during the service rendered two of the favorite hymns of deceased, "Thy Will Be Done," and "Nearer, My God, to Thee."

At the conclusion of the services at the church a large number of friends followed the remains to their last resting-place in Evergreen cemetery, where the interment was made by the side of the father of the deceased. The ceremonies at the grave were conducted by the Masonic fraternity.

The floral decorations were plentiful and very beautiful, several designs having been furnished by loving friends.

The large concourse of friends present at the church attested the popularity of Mr. Taylor here. Having been born and reared here, a young man with an excellent character, he was highly regarded by everyone who knew him.

THE NEWS FROM MELROSE.

Melrose, Oct. 24.—The Grandin nine came over to play the Melrose nine on Saturday afternoon, but did not succeed in carrying off the game, as the score was seven to twenty-nine in favor of Melrose. The visitors were entertained on their arrival with a good dinner, and in the evening a pillau was much enjoyed by them.

William Huffman celebrated his eighth birthday last week by giving a party to some twenty of his little friends. The afternoon was spent in playing all kinds of games and in enjoying the fine refreshments provided. William was made happy by receiving numerous presents.

E. W. Watkins of Putnam Hall was in town Friday to arrange for the operation of a telephone line from Putnam Hall to Melrose. He expects later on to connect with Palatka.

As a result of the revival meetings held for the past two weeks at the M. E. Church by Rev. T. Sistrunk, [illegible] new members were added to the church at yesterday's services.

Letter to Phifer & Morris, Gainesville, Fla.

Dear Sirs: It is a great thing for merchant to have the exclusive (in his region, of course) of anyth wanted by everybody.

There are two ways to treat goods. One is: put the price up make big profit. The other way be fair and make more.

Devoe is the paint that takes le gallons and costs least money a ho a job, a year, a lifetime—no ma how you reckon your costs, except the gallon—Devoe is the best taker and costs least money.

Don't forget that the principal of the cost of paint is putting it Less gallons, less cost. Don't for that another principal part of econo is long wear; less gallons, less and long wear.

It is a great thing to have the elusive sale of popular goods, of g that make friends, of goods that rich both buyer and seller. Devoe perhaps only ten per cent better t one or two others; but ten is a pl —it's 200 or 300 better than many.

There's many a merchant who ha found-out his goods. It doesn't ta man long to find-out that Devoe is least-money paint and why, no ma which side he is on. Yours truly, 14 F. W. Devoe & C

WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. Chas. F. Brown

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular periods, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham:—

"For nine years I dragged through a miserable existence, suffering with inflammation and female weakness and worn out with pain and weariness. I one day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacements, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

MISSIONARY RALLY SERVICE.

Children of Kavanaugh Methodist Church Entertain Large Crowd.

The missionary rally, or children's day, at Kavanaugh Methodist Church on Sunday evening was an attraction, and the largest crowd of the season turned out to witness the ceremonies and hear the songs and recitations of the children. The big church was crowded to the doors, and long before the time for the beginning of the service, and a seat was indeed an accommodation by half-past seven.

The program was rendered in a clever manner, and the large congregation fully appreciated the work of the children. If The Sun should attempt to compliment all the children as they deserve, it would require more time and space than the paper could spare. Suffice it to say, that the program was well executed, and the little folks deserve all the credit for the liberal collection to be sent to the missionaries in Cuba.

A Young Mother at 70.

"My mother has suddenly been made young at 70. Twenty years of intense suffering from dyspepsia had entirely disabled her, until six months ago, when she began taking Electric Bitters which have completely cured her and restored the strength and activity she had in the prime of life," writes Mrs. W. L. Gilpanrick of Danforth, Me. Greatest restorative medicine on the globe. Sets stomach, liver and kidneys right, purifies the blood, and cures malaria, billiousness and weakness. Wonderful nerve tonic. Price 50c. Guaranteed by all druggists.

Mother and daughter are doing well under the skilful care of Miss Conway, and in the meantime showers of congratulations are being poured in, in which The Sun joins.

Don't Be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.

A HAPPY MARRIAGE.

Popular Daughter of Capt. and Mrs. Parker Weds Mr. O'Quinn.

One of the greatest social events in the history of LaCrosse occurred there Wednesday, Oct. 17, when Miss Bessie Belle Parker, the beautiful and accomplished daughter of Capt. and Mrs. H. C. Parker, was happily married to Barney O'Quinn of Mayo, Florida.

Everybody said it was the most beautiful wedding that LaCrosse had ever witnessed. The marriage was solemnized at the First Baptist Church, which had been most tastefully decorated by Misses Lula Sloan and Irma Joiner, intimate friends of the bride. The color scheme was beautifully carried out in pink and white, both in the decorations and in the dresses of the bridesmaids.

Promptly at 2 o'clock the bridal party appeared and marched up the long aisle to the strains of Medelssohn's wedding march, which was rendered by Miss Smith of Wacahoota. First came the ushers, Raleigh Rives and Rufus Dell of Alachua, followed by Walter O'Quinn of Dupont, Ga., brother of the groom, as best man, and Miss Jannie Smith of Wacahoota as maid of honor, wearing a lovely dress of white net over white silk, and carrying a boquet of white roses. Then came the other bride's maids, dressed in white made over pink silk, carrying boquets of pink roses They were Miss Etta O'Quinn of Dupont, Ga., sister of the groom, attended by H. Clay Parker, brother of the bride, and Miss LaForest Smith of Homerville, Ga., cousin of the groom, attended by Mr. Clark of Mayo.

Then followed the bride, carrying a boquet of white roses and dressed in a beautiful and becoming traveling suit of grey silk with hat and veil to match, leaning on the arm of her fond father, who conducted her to a beautiful green arch, decorated with pink and white roses, where she was met by the groom, and the ceremony was impressively performed by Rev. J. N. Thompson, pastor of the church.

After the ceremony the bridal party, with a host of friends, went to the home of the bride's parents, where congratulations and best wishes were showered on the happy couple, and where delicious cream and cake were served, which, by their color, still further carried out the color scheme of pink and white.

The guests were treated to white souvenir boxes of candy tied with ribbon and decorated with the letters "P. & O." and the date of their marriage in gilt.

After the reception, amid a shower of rice, Mr. and Mrs. O'Quinn left for a trip to Atlanta, Mr. O'Quinn's old home, and other points. They will be at home at Mayo after October 26th.

The popularity of the couple was shown by the numerous handsome and valuable presents which they received.

The bride's parents presented her with a purse containing five hundred dollars.

That their life may be a long, happy and prosperous one is the wish of all who know them. A GUEST.

LaCrosse, Oct. 22.

RUNNING SORES COVERED LIMBS

Little Girl's Obstinate Case of Eczema — Instantaneous Relief By Cuticura — Little Boy's Hands and Arms Also Were a Mass of Torturing Sores — Grateful Mother Says:

"CUTICURA REMEDIES A HOUSEHOLD STANDBY"

"In reply to your letter I write you my experience, and you are privileged to use it as you see fit. Last year, after having my little girl treated by a very prominent physician for an obstinate case of eczema, I resorted to the Cuticura Remedies, and was so well pleased with the almost instantaneous relief afforded that we discarded the physician's prescription and relied entirely on the Cuticura Soap, Cuticura Ointment, and Cuticura Pills. When we commenced with the Cuticura Remedies her feet and limbs were covered with running sores. In about six weeks we had her completely well, and there has been no recurrence of the trouble.

"In July of this year a little boy in our family poisoned his hands and arms with poison oak, and in twenty-four hours his hands and arms were a mass of torturing sores. We used only the Cuticura Remedies, washing his hands and arms with the Cuticura Soap, and anointed them with the Cuticura Ointment, and then gave him the Cuticura Resolvent. In about three weeks his hands and arms healed up; so we have lots of cause for feeling grateful for the Cuticura Remedies. We find that the Cuticura Remedies are a valuable household standby, living as we do twelve miles from a doctor, and where it costs from twenty to twenty-five dollars to come up on the mountain. Respectfully, Mrs. Lizzie Vincent Thomas, Fairmount, Walden's Ridge, Tenn., Oct. 13, 1905."

STATE of FLORIDA, }
ALACHUA COUNTY. }

I hereby certify that, to the best of my knowledge, the above is a true and correct list of the qualified voters of Alachua county as they appear upon the registration books of said county this 15th day of October, A. D. 1906.

M. S. CREVES,
Supervisor Registration Alachua Co.

THE PROSPECTS ARE GOOD.

Messrs. Callison, Pedrick and Kelley Have Returned From Tampa.

General Commissioner N. A. Callison, of the Alachua County Fair Association, County Commissioner C. C. Pedrick, and Superintendent of Schools Dr. J. L. Kelley returned from Tampa, where they went to confer with President T. J. L. Brown of the State Fair Association in the matter of space, etc., for the Alachua county exhibit at the Fair. The commissioners and sub-commissioners are working steadily in the matter of securing exhibits, and the prospects are good for a big show from this county in every department.

Mrs. W. H. Palmer, who so generously consented to accept the responsibility of the management of the Woman's Work department for the county, reported Tuesday that she is making good progress; but Mrs. Palmer needs the assistance and cooperation of all ladies of the city and county, so that this department can be made a feature not only of the Alachua county exhibit, but of the woman's work department of the entire State.

Death of Mr. Sims.

A sad death occurred in North Gainesville at 1 o'clock Wednesday afternoon, the victim being John E. Sims of Union City, Ind., who has been suffering from lung trouble for the past few months.

Deceased was twenty-eight years of age, having been born July 21, 1878. His parents, Mr. and Mrs. James E. Sims, realizing that his health was rapidly failing, and having been advised to select some more tropical climate, decided to come to Gainesville. The patient, since coming here, has been the recipient of many kind attentions by friends and neighbors, but with all this the end was inevitable.

The funeral will be held from the Baptist church at half-past two this afternoon, Rev. S. B. Rogers officiating.

A STRONG PETITION.

The people living inside what is known as the drainage district in the county of DeSoto have sent a strong petition addressed to the people of the State asking that they vote against the proposed drainage constitutional amendment. This petition is from those who have small tracts of land there and who live upon their holdings. They claim that far from being benefited they are to be taxed for defraying the expenses of draining the Everglades, when that drainage is to seriously affect their interests in a detrimental way. Unlike the Fort Myers petition this one comes from those who are in the drainage district.

It has been claimed by Governor Broward that only swamp and overflowed lands are to be taxed. But the land in the Avon Park section of DeSoto county, and which has been included in the drainage district, is over 150 feet above the level of the Everglades and fifty miles away. It appears that there is a great deal of justice in this appeal from the voters in the drainage section to the people in other parts of the State. It is a request to the taxpayers elsewhere not to saddle upon them what they would not like to carry themselves in the way of a burdensome tax.

The appeal from those who will be forced to pay more than what their State and county taxes amount to each year for draining lands in which they have absolutely no interest ought to fall with force upon the people of Florida. This one feature demonstrates the great injustice of the method the Governor has adopted in his efforts to drain the great Florida swamp.

THE GREAT STORM.

Details of the damage to property and loss of life by the storm that swept the East Coast of Florida last week are being received, and the reports are awful to contemplate. At least a hundred lives were lost on the islands between the mainland and Key West, those of men engaged in the work of extending the East Coast Railway to Key West. The damage to the railroad property cannot now be estimated, and when asked about the property damage by a Jacksonville Metropolis reporter, that noble-hearted man, Mr. J. R. Parrott, to whom Mr. Flagler has entrusted his interest, replied: "We have had no time to think of that. Our aim now is to try to save life and care for the unfortunate wounded. Everything that human ingenuity can suggest will be done for the unfortunate people." At Miami the damage was exceedingly great, but no lives were lost.

PANAMA COMPLICATIONS.

Questions relating to the construction and equipment of the Panama Canal are worrying the Administration no little. In order to escape responsibility for the employment of Chinese labor, and also to devise a big job for some favored corporation which can be depended on to help finance the next presidential campaign, it is now proposed to let the entire work by contract. The contractor would be allowed to employ what labor he pleased, at whatever wages and for whatever hours he pleased, and also to buy his supplies in foreign markets and take them to Panama free of duty. The gain on the labor and supplies would thus amount to many millions; and the contractor would get all the profit. The scheme is worthy of the jobbers who have it in charge.

RAPIDLY APPROACHING.

Date of Opening of State Fair Less Than Three Weeks Off.

Wednesday, November 14th—less than three weeks off—will mark the opening of the great Florida State Fair at Tampa, which should be attended by every man, woman and child in Florida. Floridians and others who have attended the Georgia, Alabama and North Carolina State fairs this year declare that the Florida State Fair of last year was infinitely superior in every way to any of these, a fact of which every Floridian should feel proud. The coming State Fair will be much more complete and magnificent in every department, and the Floridian failing to attend and acquaint himself with the wonderful resources of Florida will be recreant in his duty to himself, family and State. The railroads will give low rates from all sections, and the best accommodations will be furnished at low prices at hotels, boarding houses, private houses and residences of Tampa. A large committee of citizens, with a paid force of young men, will look after all visitors on their arrival.

The amusement features will be the grandest ever seen in the South, including the horse races and the great White City Hippodrome. The Fair Association first appropriated $10,000 to secure this great attraction for two weeks. The amount was found to be inadequate, however, and was doubled. The array of attractions to be seen on the Range this year will be of a much higher order than that of last year. The horse racing will be of a very high class order, and exciting finishes may be looked for. A total of 516 horses have already been entered, and $10,000 have been offered on purses. Out of hundreds of high-class shows offered, President Brown has been able to select only the best. The majority of these shows have never been seen at Southern fairs. Music by the best band in the country, dazzling performances of all kinds in the open air and in tents, and other features have been secured for the edification of the thousands who will attend. Don't fail to attend the Fair, or you will regret it. Remember the dates—November 14 to 29.

Hon. James E. Broome of Quincy, nominee of the Gadsden county primary for State Senator from the Sixth district, presents a strong series of arguments in The Gadsden County Times against the advisability of attempting the reclamation of the Everglades, while the question whether the lands belong to the State or to the Louisville and Nashville railroad is still pending in the courts; against the adoption of the drainage amendment in view of the fact that it would take two years or more to revoke it should the people find they had made a mistake; and against the provisions of that amendment and the unlimited powers it confers upon five men in the matter of taxation for drainage purpose. That the rights of the people are not sufficiently safeguarded is clearly shown in this open letter. The "amusing features," as he characterizes it, is pointed out that the five men named by the offices they hold are all advocating its passage, whereas there is not one cent of salary attached to the office of drainage commissioner. Furthermore, the fact that the internal improvement fund trustees have disregarded the law is insisted upon. The letter closes with an appeal to the voters to vote against this vicious, undemocratic piece of legislation.—Times-Union.

There is no man in Florida who has served the people more faithfully than Senator Broome, or whose judgment in the above matter is deserving of more consideration.

If you wish to register your vote against the iniquitous Constitutional amendment providing for a drainage board, with the power to tax your lands for the benefit of others, make an X-mark to the left of the first NO under the head of "Constitutional Amendments," the drainge amendment appearing first on the ticket.

MRS. ANNA MUNDEN

There can be no doubt about it that the tendency to resort to surgical operations has been too great in the past and that this harmful tendency is growing less every day.

Experience has demonstrated that many ailments which seemed to require surgical operations in the past are now being cured by the use of harmless remedies. Peruna has done as much as any other remedy to establish this very important fact.

SURGICAL OPERATIONS AVOIDED.

Thousands of people have been condemned to undergo surgical operations. Their physicians have told them that they must either submit to such operations or lose their lives.

After this they have resorted to Peruna and found relief.

Other good remedies have accomplished the same result, but it is safe to assume that no other remedy has equaled Peruna in its beneficent work.

Many of the alleged incurable derangements of the pelvis are dependent upon catarrh.

There is no cure for these except the removal of the catarrh.

Peruna seemingly works miracles in some of these cases. The explanation, however, is very simple. Peruna removes the catarrh and Nature does the rest.

Suffered Thirteen Years With Pelvic Troubles, Unable to Find Relief.

AN OPERATION ADVOCATED.

Pe-ru-na, Taken as a Last Resort, Brings Health and Strength.

ANNA MUNDEN, Brinkley, Ark., writes:

"I suffered with female troubles for thirteen years, and tried the best doctors in Louisville, Ky., without relief.

"I spent thousands of dollars at the Springs.

"The doctors desired that I have an operation performed to remove my ovaries, which I would not consent to.

"I saw an advertisement of your Peruna and bought one bottle and before I had taken it all I could get out of bed and walk about.

"After taking three bottles I was as well and hearty as ever.

"I gained in flesh. From 118 I increased to 186 pounds.

"If it had not been for your great and wonderful medicine, I would now be in my grave.

"I would advise all women sufferers to try it.

"I would not be without it for the world."

A WOMAN'S LETTER TO WOMEN.

Mrs. Caroline Kramer, Fort Collins, Col., writes:

"The majority of women who are suffering from disordered periods and other troubles, have such strong faith in doctors that they allow them to experiment on them for kidney, liver, or stomach troubles, until they become discouraged and their money is gone.

"This was my unfortunate experience for nearly two years, when my attention was called to Peruna.

"I hardly dared believe that at last I had found the right medicine, but as I kept on using it and was finally cured I could only thank God and take courage.

"I have had most satisfying results from the use of your medicine and have advised dozens of women who were suffering with woman's ills to use Peruna and let the doctors alone, and those who have followed my advice are better to-day and many are fully restored to health."

SATISFACTORY RESULTS FROM PE-RU-NA.

Many changes have been made in the German consular offices in Texas and the ambassador is anxious to have an opportunity to discover what part the newly established German line of steamers to the Texas is playing in the development of the southwest.

ALLEGED GAMBLERS HEAVILY FINED

Eight of Them Were Assessed $25 and Costs, the Ninth $50.

CASES ARE TO BE APPEALED

Marshal Pinkoson Arrested the Men, Who Were Required to Give Bond for Their Appearance—Other Cases of Various Nature Disposed Of.

There was an interesting matinee in the municipal court Tuesday afternoon, and when the curtain went down there had been some lively and interesting scenes, during which eight men, Lem Hutchinson, Marion Rowe, Will Rowe, Chas. Hill, William White, Floyd Johnson, Henry Williams and Theodore Williams, were fined $25 and costs each, and Tom McFadden $50 and costs, upon a charge of gambling, having been apprehended and arrested by Marshal Chas. Pinkoson a few days ago while in an alleged game of "skin."

Marshal Pinkoson had received a letter of complaint from some person in East Gainesville, stating that the men were daily and nightly engaged in drinking and gambling, and added that if the officer would "keep his weather eye open" he would catch the "gang." Accordingly Officer Pinkoson complied with the suggestion, and was rewarded by the arrest of nine, who employed a lawyer and gave bond for their appearance on Tuesday.

Attorney Evans Haile represents the defendants, and it is said that the case will be appealed.

There was in addition to these cases a large docket. Tom Harris, for being drunk, was fined $5 and costs. Hamm (de Hamm what am sho 'nuff) ten plunkets and the costs for trimmings for an assault on a companion; Ed Frazier, fighting, $10 and costs; Dennis Williams, Obie Ross and Tenny Ross, all for fighting, $5 and costs each.

All defendants paid out with the exception of Frazier, who went to jail for thirty days.

HARMFUL STOMACH DOSING.

No Need of It When Hyomei Is Used to Cure Catarrh.

Physicians and scientists agree that the less medicine one swallows, the better. It is in keeping with this idea that Hyomei is recommended by leading physicians throughout this and other catarrhal sections.

When this treatment is used in catarrhal troubles, there is no stomach dosing, for the medicine is taken in with the air you breathe, and goes right to the spot where the catarrhal germs are present, healing the inflamed and irritated mucous membrane, killing the disease germs and entering the blood with the oxygen, driving all catarrhal germs from the system.

Do not try to cure catarrh of the head by putting medicine into your stomach—this is neither a scientific nor common sense treatment. Breathe the healing balsams of Hyomei and in a few days you will notice relief, and its continued use will result in a complete and lasting cure.

J. W. McCollum & Co. have seen so many cures made by Hyomei amongst their customers, several of them cases where all hope of relief had been given up, that they give an absolute guarantee of cure, or money will be refunded with every outfit they sell.

The complete outfit costs but $1, while extra bottles of Hyomei if needed are only 50 cents.

Eminent Doctors Praise Its Ingredients.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Helonias Diolca*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator * * * makes for normal activity of the entire reproductive system." He continues "in Helonias we have a medicament which more fully answers the above purposes *than any other drug with which I am acquainted.* In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for Helonias (Unicorn root). Pain or aching in the back, with leucorrhœa; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women, constant sensation of heat in the region of the kidneys; menorrhagia (flooding), due to a weakened condition of the reproductive system; amenorrhœa (suppressed or absent monthly periods), arising from or accompanying an abnormal condition of the digestive organs and anæmic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medical properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all catarrhal conditions * * * and general enfeeblement, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, *there is no medicine in use about which there is such general unanimity of opinion.* It is *universally* regarded as *the* tonic useful in all debilitated states."

Prof. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:

"Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhœa (painful menstruation)."

Dr Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

STORY OF INDIAN WAR.

Second Edition of A. P. Canova's Book Now Being Issued.

We have received a letter from our old friend, Andrew P. Canova, formerly of this city but now of St. Petersburg, in which he states that he is now having published a second edition of his famous book which took so well in the early 80's, the title of which is "Life and Adventures in South Florida."

Mr. Canova, the author, is one of Florida's pioneer citizens, and is the veteran of two wars, the Seminole Indian War, and the Civil War between the States. He is a veteran of whom our people may well feel proud to honor.

But Mr. Canova is writing in this volume of his experience as a soldier in the Everglades, in the Seminole War, which he pictures with realistic beauty and in a manner which must interest not only the older, but the younger element of our country who are familiar with history. In this work he tells of his actual experiences as a soldier, and many are the interesting and thrilling experiences which he was compelled to confront during this trying campaign, where the white man and the red man faced each other for supremacy of possession.

Mr. Canova first published his book in 1888, when he was living in Palatka. The introductory was by Hon. Robert W. Davis, and was a masterly work. The story as told by Mr. Canova was written from the pen of James Perkins, being dictated by the author from his actual personal experience. It is a work which was appreciated, and in a few short months the entire publication of several thousand copies were exhausted.

This famous work has been out of print for several years, but the demand has been so constant and so great upon the author that he has decided to reproduce the same, and the second edition will be out about the middle of November.

Mr. Canova is a native of St. Johns county. He is well known here, where he was a citizen for several years.

Doctors Said He Would Not Live.

Peter Fry, Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to, I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. Foley's Kidney Cure was recommended to me by a friend, and I immediately sent my son to the store for it, and after taking three bottles I began to get better, and continued to improve until I was entirely well." HOISERY TALK.

The season has now come when it is necessary for the whole family to wear Shoes, and of course you can't wear Shoes without Stockings, and usually the Stocking bill is more than the Shoe bill. This will not be the case if you buy a standard brand of goods.

We have just received a large shipment of the celebrated BLACK CAT HOISERY for Men, Women and Children, and this brand is too well known to need much talking about. The price commences at 10c and runs up. The Boys' Hose at 15 and 25c wear almost like leather. See the line and try a pair next time you buy.

The Radcliffe Shoe for Ladies'—both button and lace—at $2 50 per pair are the best that money can buy.

We are now showing many new things in Fall and Winter Goods. It will pay you handsomely to do your trading with us, no matter what you need.
